written notice of such contemplated change, except in cases of emergency involving the protection of the property of the Employer or involving the health and safety of those persons whose care and/or custody have been entrusted to the Employer. The work schedule of an employee shall not be changed to avoid the payment of overtime of five (5) days or less. Where practicable, assignments in shift, days off, or work location with no change in job title and no change in grade, shall be filled by qualified volunteers in order of seniority. If there are no volunteers, assignments shall be made in inverse order of seniority with the affected employee having priority to return to the original shift, days off, or work location.

- C. Each employee shall be required to record his attendance in accordance with procedures, which may be established in writing from time to time by the Chancellor. Thirty (30) days prior to any change in the existing method of recording attendance, the Chancellor will notify the Union of such change and will meet and confer with the Union to discuss such change.
- D. Employees wishing to swap their days off in a given week may do so by mutual agreement of the employees involved with the consent of their supervisor and the approval of the Institutional Personnel Officer or designee.
- E. In the event an employee reports to his/her place of work at his/her regularly scheduled time, he/she shall not be sent home if his/her tour of duty was rescheduled without a twenty (24) hour notice; he/she shall be allowed to work the regularly scheduled tour of duty.

Section 7.7 Overtime

- A. An employee shall be compensated at the rate of time and one-half his/her regular rate of pay for authorized overtime work performed in excess of eight (8) hours per day or forty (40) hours per week of actual work, excluding paid sick and family sick leave.
- B. An employee whose regular work week is less than forty (40) hours shall be compensated at his/her regular rate for up to forty (40) hours of actual work, excluding paid sick and family sick leave per week that is in excess of his/her regular workweek.
- C. An employee shall be compensated at the rate of time and one-half his/her regular hourly rate of pay for authorized overtime work performed in excess of eight (8) hours of actual work excluding paid sick leave and family sick leave in his/her regular workday except that an employee whose regular workday is more than eight (8) hours shall be compensated at the rate of time and one-half his/her regular hourly rate of pay for authorized overtime work performed in excess of his/her regular workday.

Department heads and Union representatives in each department shall work out procedures for implementing this policy of distributing overtime work. The Chancellor shall approve such policies.
- H. The Chancellor shall make every effort to send out checks for overtime work no later than the first payroll period following the payroll period of the overtime work, but in no event later than the second payroll period thereafter.
- I. Overtime worked by members of the bargaining unit shall be posted or made available on a monthly basis.
- J. An employee may not refuse to perform compulsory overtime except for reasons acceptable to the Chancellor when the Chancellor determines that the work must be performed on an overtime period or involves the protection of persons or property of the Employer. In these cases, the Chancellor will order in an employee to perform such work in the order of inverse seniority. Failure on the part of an employee to work an overtime assignment as described above without such reason shall be wrongful and may result in the imposition of disciplinary measures.
- K. The provisions of this section shall not apply to employees on full travel status.
- L. For each three and one-half (3 1/2) hours of overtime an employee shall be entitled to a one-half (1/2) hour paid time or meal break.

Section 7.8 Regular Meals

A meal period shall be scheduled as close to the middle of the shift as possible considering the needs of the Employer and the needs of the employee. Such meal break shall be taken at a location which permits the bargaining unit member to return promptly

The parties acknowledge that the Employer will be implementing new administrative computing and payroll systems. To ensure that the changes required by these systems are introduced and implemented in the most effective manner, the Union agrees to accept the University's implementation and changes to business practices, procedures, and functions as are necessary to achieve such implementation (e.g. the change from a weekly to biweekly payroll system). The Employer and the Union will establish a special Labor-Management Committee made up of an equal number of Union representatives and Employer representatives. This committee shall be the sole forum for the parties to discuss any issues of impact to the bargaining unit arising from the implementation of the systems. The parties will reopen negotiations subject prior to implementing any change, which has the effect of reducing a unit member's pay in any fiscal year. Nothing in this article is meant to waive any other provision in this Agreement.

- B. A regular part-time employee shall accumulate sick leave credits in the same proportion that his/her part-time service bears to full-time service.

 - 1. When an employee cannot perform his/her duties because he/she is incapacitated by personal illness or injury;
 - 2. When the spouse, domestic partner, child, parent, or sibling of either a bargaining unit member or his/her spouse or domestic partner, or the bargaining unit member's grandparent or grandchild, or a relative living in the immediate household of a bargaining unit member spouse, domestic partner, child, parent, sibling grandchild, or grandparent of either an employee or his/her spouse or domestic partner, or a relative living in the immediate household of an employee is ill, the employee may utilize sick leave credits to care for such person;

 - 4. When an employee cannot perform his/her duties because he/she is incapacitated by personal illness or injury;
- D. A full-time employee shall not accrue sick leave credits for any month in which he/she was on leave without pay or absence without pay for a total of more than one (1) day.

- F. Where the Employer has reason to believe that sick leave is being abused; the Employer may require satisfactory medical evidence from the employee. This request shall be reduced to writing and shall cite specific reasons for the request. When medical evidence is requested, such request shall be made as promptly as possible. To the extent practicable, the employee shall receive prior notice that the Employer believes he/she is abusing sick leave and that he/she may be required to produce medical evidence for future use of sick leave.
1. Satisfactory medical evidence shall consist of a signed statement by a licensed Physician, Physician's Assistant, Nurse Practitioner, Chiropractor, or Dentist that he/she has personally examined the employee and shall contain the general nature of the illness or injury, a statement that the employee was unable to perform his/her duties due to the specific illness or injury on the days in question; and the prognosis for employee's return to work. In cases where the employee is absent due to a family or household illness or injury, satisfactory medical evidence shall consist of a signed statement by medical personnel mentioned above indicating that the person in question has been determined to be seriously ill and needing care on the days in question.
 2. A medical statement provided pursuant to this Article shall be on the letterhead of the attending physician or medical provider as mentioned above, and shall list an address and telephone number. Failure to produce such evidence within seven (7) days of its request may result at the discretion of the Appointing Authority, in denial of sick leave for the period of absence.

The employee's physician shall submit to the Medical Director a description of the illness or injury, which the Medical Director shall review and determine if it is appropriately confidential. The Medical Director will notify the supervisor and employee only of the determination of whether the claim of confidentiality is appropriate and destroy the medical note. The determination of the Medical Director shall not be subject to grievance and arbitration under this Agreement.
 4. Any inappropriate use of sick leave may be recorded as unauthorized leave without pay and may result in discipline.

- G. The Chancellor may require that an employee be examined by a physician of the employee's choosing and at the employee's expense, following absence by reason of illness or injury for more than ten (10) consecutive working days. The sole purpose of such examination shall be to determine the employee's fitness to return to his/her regularly assigned duties. An employee absent by reason of illness or injury for more than ten (10) consecutive working days shall provide the Chancellor with reasonable notice of his/her intent to return.
- H. The Chancellor may require that an employee be examined by a physician or other health care provider of the Employer's choosing and at the Employer's expense to determine the fitness of that employee to return to work from industrial accident leave or other health related leaves, to review the nature and extent of any claims of incapacity to perform job related tasks and to verify requests for use of sick leave when the Employer has reasonable grounds to believe such use is not acceptable.
- I. Any employee having no sick leave credits, who is absent due to illness, shall be placed, unless otherwise notified by the employee, on personal leave; if no personal leave credits, then on vacation leave. - J. An employee who is reinstated or re-employed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment. An employee who is reinstated or re-employed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the Chancellor, where such absence was caused by:

 2. Dismissal through no fault or delinquency attributable solely to said employee; or
 3. Injury while in the employment of the Employer in the line of duty and for which said employee would be entitled to receive Workers' Compensation benefits.
A person whose employment by the Commonwealth is uninterrupted shall retain all accrued sick leave credits. Sick leave earned in towns, cities, counties, districts, the federal government, etc. shall not be transferred to state service.
- K. A regular part-time employee shall not accrue sick leave credits for any payroll month in which he/she was on leave without pay or absence without pay in the same proportion that his/her service bears to one (1) day of service of a full-time employee.

- L. Notification of absences under this Article must be given to the designated representative of the Chancellor at least one hour prior to the beginning of the scheduled tour of duty. If such notification is not made, such absence may, at the discretion of the Chancellor be applied to absence without pay. In circumstances beyond the control of the employee such notification shall be made as early as possible on the day of absence. - P. An employee who, while in the performance of his/her duty, receives bodily injuries resulting from acts of violence, and who, as a result of such injury, would be entitled to benefits under Chapter 152 of the General Laws, shall, if entitled under Chapter 30, Section 58 of the General Laws, be paid the difference between the weekly cash benefits to which he/she would be entitled under said Chapter 152 and his/her regular salary without such absence being charged against available sick leave credits, even if such absence may be for less than six (6) calendar days.
- Q. Sick Leave Bank.

Bargaining Unit members will continue to belong to the non-unit sick bank currently maintained by the University for non-unit employees. Such bank shall be administered as it currently is and membership on the Sick Leave Bank Committee shall continue to be determined as currently determined. The Employer may change the rules and regulations under which the bank operates with notice to the Union. The Union waives its right to bargain over such changes.

Ninety (90) days after the effective date of this agreement, bargaining unit members shall become part of the Sick Leave Bank created by the agreement between the University of Massachusetts and the Professional Staff Union/ Massachusetts Teachers Association (Exempt Unit, PSU/MTA Unit A) and shall be subject to all the terms and conditions applicable to that Sick Leave Bank. When the members of this bargaining unit cease to be members of the Non-Unit

Sick Leave Bank, no days will be transferred to the Bank created by the agreement between the PSU/MTA Unit A. The Employer shall not be obligated to and shall not contribute any days to the Sick Leave Bank created by the agreement between the Employer and PSU/MTA Unit A as a result of the change in bank membership for members of this unit. All members of this unit on that date shall be members of the bank created by the agreement between the Employer and PSU/MTA Unit A. Members of this bargaining unit shall not be assessed days by the Sick Leave Bank Committee administering the Bank created by the agreement between the Employer and PSU/MTA Unit A, if that Bank must assess days because it falls below the contractually specified minimum days.

Pursuant to the Sick Leave Bank and Sick Leave Cash-In:

Employees who elect to join the Sick Leave Bank shall also be eligible, if they so choose, to cash in their annual unused sick leave credits, effective January 1, 2019 and each January 1 thereafter, up to a maximum of six (6) days at 50% of their value as outlined in the table below:

Sick Leave Use	Sick Leave Cashed-In	Cash-in-Value

In order to exercise this option, an employee must cash in all sick days that are earned and accrued during the previous twelve ((12) months in excess of six (6) days. The decision to cash-in sick time must be made by the employee by November 1 of each year. Sick days cashed in shall be deducted from the employee's sick leave balance.

R. Extension of Sick Leave

1. Once a unit member has exhausted all of his/her sick leave, vacation leave, and personal leave, he/she shall be eligible for an extension of sick leave; provided that such unit member has been employed a minimum of twelve (12) consecutive months (or twelve (12) months for those subject to a periodic layoff) prior to the commencement of such extension of sick leave.

In anticipation of the exhaustion of all paid leave, a unit member shall forward a request to the Chancellor on the form entitled Request for Extension of Sick Leave. He/she shall act upon such request and forward the decision, in writing, to both the unit member and the appropriate union official of the member's unit within ten (10) days of receipt. The approval of such request will be effective at the beginning of the sixth

(6th) day of unpaid leave. The granting of an extension of sick leave shall be subject to the sole discretion of the Chancellor.

All requests for an extension of such leave shall be given due consideration and shall not be grievable.

Such extensions shall be available only for illness of the unit member and not for illness of his/her immediate family. Further, an employee on an industrial accident leave shall not be eligible for an extension of sick leave.

Such additional extension of sick leave may commence immediately upon the conclusion of an earlier extension of sick leave or may be granted at any time during the remainder of the applicable twelve (12) month annual period. A unit member need not serve a period of unpaid leave prior to being eligible for this fifteen (15) days additional extension of sick leave.

3. Understanding that the health and welfare of unit members is of mutual concern, the Chancellor, in evaluating a request, shall consider the following:
 - a. Cost: Consideration shall be given to the projected cost incurred to implement the request, including the temporary filling of the position, if necessary.
 - b. History of sick leave usage: Consideration shall be given to the previous use and/or abuse of leave benefits. Input must be sought from the employee's supervisor(s) and pertinent attendance or personnel records.
 - c. Length of request: The provision is not intended to provide for long term or permanent disabilities. There should be a reasonable expectation of return to full-time duties as evidenced by a physician's statement.
4. During the period of an extension of sick leave, an employee shall not be entitled to accrual of vacation or sick leave as provided for in Articles 8

and 9 of this Agreement.

When an employee is separated from the payroll because he/she has exhausted his/her sick leave, the Employer shall furnish the necessary forms for requesting group insurance coverage on a current premium basis.

- S. There shall be created a joint-labor management committee with the authority to research, design and bargain one or more employer sponsored systems to replace the current sick-leave system for bargaining unit members. For the duration of the Agreement, there shall be a 120 day cap on the accrual sick leave for employees hired on or after January 1, 2015. If the committee fails to bargain a replacement, the current sick-leave system will continue without any accrual caps. This language shall not expire and shall continue through the duration of this successor Agreement.

A regular part-time employee shall be granted vacation leave in the same proportion that his/her part-time service bears to full-time service.

Section 9.3

Vacation leave accrued during any payroll month shall be credited on the last day of the payroll month based on the employee’s full-time equivalent status on that date and shall be available for use the following day.

Section 9.4

A full-time employee on leave without pay and/or absent without pay for two (2) or

more cumulative days in any month shall not accrue vacation leave for such month. Such month shall not be deemed to be “creditable service.”

Section 9.5

A regular part-time employee who is absent without pay and/or on leave without pay for that number of hours that his/her service bears to the service of a full-time employee as described in section 9.4, shall not accrue vacation leave for such month. Such month shall not be deemed to be “creditable service.”

Section 9.6

An employee who is reinstated or re-employed after less than three (3) years shall have his/her prior service included in determining his/her continuous service for vacation purposes.

Section 9.7

An employee may request vacation leave when it becomes available. Vacation leave requests shall be granted unless, in the Chancellor’s opinion, it is impossible or impracticable to do so because of work schedules or emergencies. The Chancellor shall make reasonable efforts to insure that an employee, having requested vacation leave, is granted such leave in order to prevent the loss of earned vacation credits.

When vacation requests are submitted less than forty-five (45) calendar days in advance such requests shall be processed in the order in which they are received without regard to seniority. Responses shall be given to unit members in writing within seven (7) calendar days of receipt of such request.

An employee wishing to exercise his/her seniority for vacation preference must apply in writing not more than sixty (60) calendar days nor less than forty-five (45) calendar days in advance of the first day requested. An employee wishing to file such a request earlier than sixty (60) days prior to the first day requested, may do so, but preference will be determined on the forty-fifth (45th) day in advance of the first day requested. The Chancellor shall respond in writing, indicating whether he/she can reasonably schedule such a vacation, at least thirty (30) calendar days in advance of the first day requested.

When vacation requests are submitted less than forty-five (45) calendar days in advance, such requests shall be processed in the order in which they are received without regard to seniority. Responses shall be given to unit members in writing within seven (7) calendar days of receipt of such request.

No bargaining unit member shall carry more than sixty-four (64) days of vacation leave credit.

A bargaining unit member who has available unused vacation leave and who because of this provision would lose such vacation shall have such vacation as might be lost converted to sick leave credit on the last day of the reporting month in which it would be lost if not used.

Section 9.8

Absences on account of sickness in excess of the authorized sick leave provided in this Agreement (or for personal reasons not provided for under said sick leave provisions),

may be charged, unless otherwise notified by the employee, to personal leave, if any, then to vacation leave, if any.

Section 9.9

Charges to vacation leave credit may be allowed in units of one-half (1/2) hour.

Section 9.10

Upon the death of an employee who is eligible for vacation under this Agreement payment shall be made in an amount equal to the vacation leave which had been accrued prior to the employee's death, but which had not been used by the employee up to the time of his/her separation from payroll, provided that no monetary or other allowance has already been made therefore. The Chancellor shall authorize payment of such compensation upon the establishment of a valid claim therefore, in the following order of precedence:

First: To the surviving beneficiary, or beneficiaries, if any, lawfully designated by the person under the State Employees' Retirement System;

Second: If there be no such designated beneficiary, to the estate of the deceased.

Section 9.11

An employee who is eligible for vacation under these rules, whose services are terminated for any reason, shall be paid an amount equal to the vacation that had been accrued prior to such termination, but which had not been used provided that no monetary or other allowance had already been made therefore.

Section 9.12

An employee who is reinstated or re-employed shall be entitled to his/her vacation status at the termination of his/her previous service; provided, however, that no credit for previous service may be allowed where reinstatement occurs after absence of three (3) years unless approval of the Chancellor is secured for any of the following reasons:

- A. Illness of the employee.
- B. Dismissal through no fault or delinquency attributable solely to the employee.
- C. Injury while in the service of the Commonwealth in the line of his/her duties and for which the employee would be entitled to receive Workers' Compensation benefits.

Section 9.13

An employee who is granted a leave of absence to enter service in the Armed Forces of the United States, under the provisions of Chapter 708 Acts of 1941 as amended and who, upon honorable discharge from such service in said Armed Forces, returns to the service of the Employer, shall be paid an amount equal to the vacation leave which had been accrued prior to his/her entry into such service in said Armed Forces, but which had

not been used prior to military leave, provided that no monetary or other allowance has already been made therefore.

Section 9.14

An employee who is reinstated after military leave, as referred to in section 9.13, may be granted vacation allowance up to the equivalent of twelve (12) months' accrual as of the date on which he/she returned or returns, provided that prior to such military leave, vacation had not been used or compensation paid in lieu thereof for the same year. Neither the above usage nor absence due to military leave shall in any way affect vacation credits accrued by such employee in any full payroll month of employment after he/she returns from military service.

Section 9.15

Vacation leave shall accrue to an employee while on leave with pay status or on industrial accident leave, excluding employees on extended sick leave in accordance with Article 9.

Section 9.16

Vacation leave accrued following a return to duty after leave without pay or absence without pay shall not be applied against such leave or absence.

Section 9.17

Vacation status previously earned by an employee while in the employ of the Commonwealth or any of its cities, towns, or municipalities prior to employment as a member of this bargaining unit shall be retained by such employee, provided that no break in service of three (3) years or more occurred between termination of such prior employment and the commencement of employment by the employee. An employee, in order to retain such previously earned status, must submit to the Chancellor, within thirty (30) calendar days of employment, evidence attesting to such prior employment and such status.

Section 9.18 Vacation Buy-out

Employees with at least three (3) years of service as of June 1 of each year of this Agreement shall be eligible to receive as a cash payment an amount equal to up to one week of the individual's accrued vacation leave, provided that the following conditions are met:

1. Documentation of one of the following scenarios must exist, and may consist of supervisor's acknowledgement in writing, copies of an email exchange between the employee and supervisor, or similar substantiation, and;
2. The employee must have requested vacation and been denied by the Supervisor. The employee must further request and have been denied a reschedule of the vacation within 30 days of the original date proposed;
3. Or, the supervisor has failed to respond to a request for vacation leave within 30

days and later denied the request;

4. Or, the supervisor has approved a request for vacation leave and later revoked that approval.

The decision to cash in vacation leave in accordance with this provision must be made by June 1. Vacation days cashed in shall be deducted from the employee's vacation leave balance. Payment shall be made no later than the last pay period in July. Payments made under this provision shall not be included on base salary for any purposes, including the calculation of retirement benefits or subsequent salary increases.

Section 9.19 Labor-Management Committee

There shall be created a joint-labor management committee with the authority to research, design and bargain one or more employer sponsored systems to replace the current vacation-leave system for bargaining unit members. For the duration of this Agreement, the current vacation-leave terms will remain unchanged. If the committee fails to bargain a replacement system, the current vacation leave system will continue without accrual caps. This language shall not expire and shall continue through the duration of this successor Agreement.

Section 13.2 Selection

Vacant positions in the bargaining unit will be posted as internal campus job postings on the University's on-line applicant tracking system for a minimum of five (5) business days before being posted for external (off-campus) applicants. Applications submitted on-line by internal (on-campus) applicants and received during the internal campus job postings by the hiring department will be considered prior to interviewing any external applicants for the position.

Internal applicants may also submit a written application for such internal campus job postings under procedures of the Employment Office. Such written application forms will be mailed to the department and/or hiring authority for the position through campus mail. Hiring departments will not be required to hold internal campus job postings if the written application form is received after the five (5) business day internal posting period.

Section 13.3 Criteria

- A. For the purposes of this Article, promotion shall be defined as an appointment to a position of a higher job grade; a change in job title without a change in job grade shall be considered a lateral appointment. Any employee who applies for a lateral transfer shall be subject to the same criteria and shall not be disadvantaged in comparison to/with employees seeking a promotion. A demotion shall be defined as an appointment to a position of a lower job grade. Upon written request from an employee, his/her test results will be provided within five (5) days of the request.
- B. The following criteria shall be used by the Hiring Authority in selecting a candidate to fill a vacancy. Each of the criteria will be applied to all candidates for a vacant position.
 - 1. Ability to perform the requirements of the position.
 - 2. Work history and performance.
 - 3. Experience in related work.
 - 4. Education and/or training related to the position.
- C. If, in the judgment of the Hiring Authority, there are two or more candidates who are approximately equally best qualified, then among such candidates, preference shall be granted to the employee in the bargaining unit who has the most seniority at the University.

Section 13.4 Trial Period

- A. An employee who is promoted, or laterally appointed shall serve a six (6) month trial period from the effective date of such promotion, or lateral appointment. (Evaluations of the employee's work performance shall normally take place after three (3) months and after five (5) months).
- B. During this trial period, if the employee's work performance in the new assignment is not satisfactory to the Supervisor, said employee shall revert back to his or her former position. Following management's decision to return an individual to his/her former position, the employee may request, in writing, to discuss the reason(s) for this action. This discussion will take place at the level the decision was made.
 - If the employee is not satisfied with the reason(s) given for his/her return, he/she may file a grievance at the next higher level of the grievance procedure; however, provided that there shall be at least one formal grievance hearing held at a campus level.
- C. If the employee is not satisfied with the new position, he/she may elect to return to his/her former position within sixty (60) days after said new appointment.
- D. All appointments made pursuant to this section shall be temporary or

provisional appointments at least until the completion of the trial period or the completion of the grievance procedure. All vacancies resulting from an employee's appointment pursuant to this section shall be filled temporarily or provisionally at least until the appointed employee has completed his/her trial period or the completion of the grievance procedure.

An employee who has been promoted pursuant to this Article and whose promotion is overturned by the grievance procedure shall not be terminated, but shall return to his/her former position.

Section 13.5

At the employee's written request, on the attached form (by-pass form), s/he will be entitled to attend a meeting with management to discuss the reasons for non-selection. At the employee's option, he/she may be accompanied by a representative designated by the Union. If the employee is not satisfied with the reason(s) for non-selection; s/he may file a grievance at the next higher level of the grievance procedure; provided however, provided that there shall be at least one formal grievance hearing held at a campus level. Late notice shall not preclude the filing of a grievance for non-selection.

Section 13.6 Extension of Seniority

In the case of institute, grant, or contract employees seniority for the purpose of applying for vacant positions shall be extended three (3) months beyond the actual expiration date of the then current funding source.

Section 13.7 Reduction in Grade

Any employee in a grade higher than that announced in the vacancy notice may submit an application for the posted vacancy in accordance with the provision of this Article. If the applicant is successful, the reduction in grade will be concurrent with the appointment to the new position.

Section 13.8

Bargaining unit members may be required to attend and to successfully complete a course of instruction designed to provide employees with the basic introductory skills of supervision.

Measurement standards for course evaluation shall be determined by the instructor and conveyed to participants at the beginning of the course. The evaluation of the employee by the trainer shall be evidence of the employee's qualification in the supervisory area. The decision to enroll the employee in a supervisory training program is not grievable.

Section 13.9

The Employer shall provide the Union with a list of the names, requisition numbers and bargaining unit vs non bargaining unit status of employees hired into vacancies described in this provision. This report shall happen approximately monthly.

Article 14

Layoff and Recall

Section 14.1

A. In the event of a reduction of personnel, the parties shall endeavor to maintain as near as possible the same percentage of minority and female employees as existed immediately prior thereto, where under-utilization or under representation exists. Subject to this understanding, those employees having least seniority within classification would be considered first for release.

B. Notice to Union

In the event the Employer becomes aware of an impending reduction in the work force it shall, when practical, notify the Union fifteen (15) working days prior to the layoff.

C. Meeting with Union

Within three (3) working days of management notice to the Union of an impending layoff, the Employer shall meet with the Union and discuss the impact of the layoff on the affected employee(s).

This discussion shall include, but shall not be limited to the following:

1. Availability of similar positions within the University.
2. Availability of training or retraining programs which may be applicable to the affected employees.
3. In reviewing these placement possibilities, every effort will be made to seek matches of worker skills and qualifications with available comparable positions.

D. Notice to Employee

1. If the Employer determines, after the above consultation period, that a layoff is still necessary, the Employer shall submit to the Union a final list of employees being laid off; the departments involved; the number of affected positions; and the duration of the layoff. The Employer shall also notify affected bargaining unit members that they have been targeted for layoff and shall give the date of layoff.
2. The Employer shall provide a thirty (30) calendar day notice before bargaining unit members are laid off. Except in extreme financial circumstances, the following notices shall be given:

Years of Service

2 years but less

5 years or more

Calendar Days

60 days

90 days

The written notice of layoff shall advise the bargaining unit member of the date of layoff and shall contain either the date of resumption of employment or a statement that the layoff is indefinite in duration.

The notice shall also state that the layoff is not related to the bargaining unit member's performance. A letter to that effect shall be provided to the bargaining unit member.

3. Once notice is given, the Employer and the affected bargaining unit member by mutual agreement may abbreviate the length of the previously given notice period by agreeing to a lump sum payment of fifty (50) percent of the bargaining unit member's weekly salary for each week that the previously given notice is shortened.

Section 14.2

A. Selection for Layoff

In the event that the Chancellor shall lay off employees because of a reduction in force, layoff shall be conducted by job classification on the basis of the employee's campus seniority provided the employee retained has the ability to perform the job. In the event of a layoff within a job classification, probationary employees within that job classification shall be laid off first.

B. Layoff

In the event an employee is scheduled to be laid off and there exists a vacant position which has been certified for filling in an equal or lower-graded classification, upon timely application by the employee, campus seniority shall prevail in permitting such an employee to fill such position provided the employee has the ability to perform the work in a competent manner.

C. Bumping

In the event an employee is scheduled to be laid off, the employee may bump into a position held by the least senior employee at the University and in the bargaining unit in an equal or lower-graded provided the bumping employee is, in the judgment of the employer, qualified and able to perform the responsibility of the position after a brief familiarization period. An employee who has twenty (20) or more years of seniority shall not be susceptible to bumping notwithstanding the seniority of the employee facing layoff.

D. Appeal Procedure

Bargaining unit members who have been laid off and are aggrieved by the refusal of the employer to permit a bump may appeal that denial as follows:

- Within five (5) working days of the receipt of notice of layoff to the bargaining unit member or of the incident giving rise to the appeal, the bargaining unit member may file a written appeal specifying the reasons for the appeal. This appeal shall be filed with the Campus Contract Administrator for the Tripartite Appeals Panel, with a copy to the Union.
- The Tripartite Appeals Panel shall be comprised of: one member appointed by the Union; one member appointed by the Employer; and one independent hearing officer/arbitrator.

- A hearing will be held on the appeal and forwarded to the Tripartite Appeals Panel. The bargaining unit member appealing may attend to present his/her case with witnesses and Union representation. Representatives of the Employer may attend to present the Employer's position. The Tripartite Appeals Panel will issue its decision on the appeal no later than five (5) calendar days following the conclusion of the hearing unless an extension of time is requested.
- The Tripartite Appeals Panel's ruling on the appeal shall be final and binding. The Tripartite Appeals Panel may not review the decision to curtail or to eliminate services and/or positions. The Employer retains the exclusive right to determine the need for a layoff, the effective date of the layoff (subject to the express conditions of this agreement), the programs to be affected, the positions to be reduced, and the bargaining unit members to be laid off.
- Appeals Procedure. The issue of Employer determination that the bargaining unit member is not qualified to fill the position in the executive area is the only issue that is appealable. The Tripartite Appeals Panel may not substitute its judgment for that of the Employer; the Tripartite Appeals Panel shall decide only whether the Employer was arbitrary or capricious in making its determination that the unit member was not qualified.

Section 14.3 Recall

- A. The Chancellor shall maintain a recall roster from which laid off employees will be recalled to positions to be filled in accordance with their seniority within classification.
- B. A laid off employee will remain on the recall roster for three (3) years, provided that an employee who is offered recall to a position in the same job classification as the position for which he/she was laid off and who fails to accept such offer within five (5) calendar days or three (3) working days, whichever is greater, shall be removed from the recall list and his/her recall rights and seniority shall terminate at that time. The recalled employee may delay his/her return to work for a period of up to fourteen (14) calendar days, except in emergency situations, after the date of acceptance of recall.

Section 14.4 Seniority

- A. As used in this Article, seniority shall mean all continuous service since the last date of hire at the campus.
- B. In computing seniority as defined in this Article, any break in service or any time off the payroll in excess of twenty-eight (28) consecutive days shall be excluded from total seniority except approved military, maternity, industrial accident leave, and a layoff of up to three (3) months.

- C. This Article shall not apply to employees paid from institute, grant, or contract funds. Such employees shall retain their seniority for three (3) months after their termination for the purpose of applying for vacant positions.
- D. Continuity of service shall not be affected by periods of authorized leave and seniority shall continue to accrue during such periods of authorized leave. Continuity of service shall not be deemed broken during an individual's period of recall, but seniority shall not accrue during the layoff period.

Section 14.5

Notwithstanding their position on the seniority list, in the event of a layoff three (3) officers designated by the Union shall continue to be employed at all times, provided they can perform the duties of any available positions.

Section 14.6

In the event there is a layoff of bargaining unit employees, they shall not be replaced by students, except for short periods of time not in excess of twenty (20) hours.

Section 14.7

In the determination of selecting unit employees to be laid off in accordance with this Article, management shall make all reasonable efforts to first layoff 03 and similar type employees who normally perform those duties performed by bargaining unit members in classifications affected by the layoff.

Section 14.8

The Employer shall investigate the possibility of identifying appropriate work for certain employees who are in a temporary lay-off status. Such work may or may not be within the job specifications of the employees concerned.

Section 14.9

This Agreement does not prohibit the Union and the Employer, with the affected employee's consent, from agreeing to a severance payment for an employee facing layoff. If such a severance payment is agreed to, the employee receiving such payment shall have no bumping rights.

Section 14.10 Laid Off Employees

Laid-off employees shall be considered on-campus employees for two (2) years following the effective date of their layoff. Laid-off employees shall have access to on-campus training opportunities to the same extent as current employees for two (2) years after the effective date of their layoff.

Section 14.11 Laid off Employees, Eligibility for Vacancies

In the event an employee is scheduled to be laid off or is on layoff status as set forth in Article 14.3.A and there exists a vacant position in the bargaining unit which has been certified for filling in an equal or lower-graded classification, campus seniority shall prevail in permitting such an employee to fill such position, provided the employee can perform

the work. Any employee in such category shall have their name forwarded for any vacant position prior to Article 13 being applicable.

Section 14.12 Cost Saving Options

If there are one or more layoffs within the Unit, the Employer and Union will meet as expeditiously as possible to examine payroll cost saving options which will permit retention of some or all of the employees identified for layoff.

Article 15

Out-of-Title Work

Section 15.1 Work in a Lower Classification

- A. When an employee is assigned by his/her supervisor to perform the duties of a position classified in a grade lower than that in which the employee performs his/her duties, he/she will be compensated at his/her regular rate of pay as if performing his/her regular duties.
- B. An employee who is assigned by his/her supervisor to perform overtime work in a lower classification shall have overtime compensation computed at the employee's regular rate of compensation.
- C. It is the right of the Employer to assign members of the bargaining unit such tasks and duties as may be needed to meet the operational needs of the University and its subdivisions.

Section 15.2 Work in a Higher Classification

- A. Any employee, who is clearly directed by his supervisor to perform work in a higher classification, shall receive pay in the higher classification for all such work performed for eight (8) hours or more at the step determined by the established method of calculating step placement for promotions.
- B. Except, however, in those cases in which the assignment is to another position within the unit and is determined by the supervisor as not likely exceed fifteen (15) working days the employee shall receive ten (\$10.00) per day for such service. If such service exceeds fifteen (15) working days or is likely to exceed fifteen days the employee shall receive the daily rate or rate obtained by the established method for determining promotions whichever is higher for that period of time and the promotional rate for any days exceeding the fifteen (15) day period.
- C. In cases of work in a "professional" or exempt position, the rate for that position shall be obtained by calculating the hourly rate from the minimum salary for the salary administration plan level of the employee whose position is being temporarily occupied.
- D. Whenever any employee is assigned to any vacant higher rated position, he/she shall complete and transmit to his/her supervisor the appropriate form for such actions. The supervisor shall thereupon complete the applicable portion of the form and transmit the same to the Chancellor, who shall thereupon determine whether the work assignment is or is not out of title work.
- E. An employee, who is assigned by his/her supervisor to perform overtime work

in a higher classification, shall have overtime compensation computed at the first step rate of the higher classification, unless the employee's regular rate of compensation is higher, in which case the overtime compensation shall be computed at the employee's regular rate of compensation.

Article 16

- B. Each employee in the bargaining unit shall be permitted by the Employer to have access to examine his/her class specification.

Section 16.3 Appeal of Classification of "Trust Funded" Position

An employee in a "trust-funded" position who seeks a reclassification shall adhere to the following procedure:

1. An employee in a "trust funded" position who seeks a reclassification of that position may request an audit of the position on the form attached hereto.

8. The parties agree that the procedure herein provided shall be the sole procedure for reclassification and reallocation of "trust funded" positions and the grievance and arbitration procedures of Article 29 shall not apply.

Article 17

Class Reallocations

Section 17.1

Class reallocations may be requested by the Union whenever it believes a reallocation is justified by the existence of an inequitable relationship between the positions covered by the reallocation requests and other positions covered by this Agreement. If the Employer agrees that such an inequity exists, the Employer and the Union agree to jointly petition the General Court for such reallocation. If, however, the parties are unable to reach agreement, the matter shall not be subject to the grievance procedure.

Section 17.2

The Employer and the Union agree that the procedure provided in Section 17.1 shall be the sole procedure for class reallocation for all classes covered by this Agreement and no other class reallocations shall be granted.

Section 17.3

The Employer agrees to meet with the Union during the first year of this Agreement to discuss job titles, specifications, and upgrading of positions covered by the Agreement.

Article 18

Tuition Remission and Waiver

Section 18.1

Tuition Credits at UMass campuses □Members of the bargaining unit shall receive tuition discounts in the form of tuition credits as described below; provided that, in the event of a conflict between this Article and current practice, current practice shall prevail.

I. INTRODUCTION

As described below, the University offers tuition discounts in the form of Student Tuition Credits to University Employees and retirees, and the Spouses and Dependent Children of University Employees, retirees, and certain deceased University Employees.

These Standards implement Paragraph IV of the Policy on Tuition Waivers (T96-129) and codify and regularizes certain practices and procedures, including those former waivers that had been collectively bargained. See, M.G.L. c. 75, § 1B (f).

These Standards apply to all members of the University community, except where any discount or other benefit contained in a collective bargaining agreement may be more favorable. See, M.G.L. c.150E, § 7(d).

Each campus and the President's Office is responsible for developing procedures to process requests for the Student Tuition Credits described in these Standards.

II. DEFINITIONS.

- (1) **Dependent Child** refers to a child of a University Employee or his or her Spouse:
 - 1) who meets the requirement of dependency as defined by the Internal Revenue Service (whether or not such University Employee or Spouse claimed such child as a dependent on the most recent tax return); or
 - 2) for whom the University Employee or Spouse has financial responsibility, as demonstrated by a court decree, FAFSA, or other suitable evidence as may be required by the campus Human Resources Department; but in no event shall Dependent Child mean an individual over the age of twenty-five (25) as of the first day of the semester for which the Student Tuition Credit is to be applied, unless specifically approved in writing by the President or designee.

(5) **Retired University Employee** refers to a former University Employee who is retired and who meets the criteria for retirement under the rules of the State Board of Retirement.

(6) **Spouse** refers to an individual married to a University Employee.

(7) Student Charge refers to in-state and out-of-state tuition and fees that are charged to students for general attendance at the University; provided that, Student Charges shall not include any fee or other charge established by the University that is specific to a particular course, program or activity or any charges for room, board or student health insurance. See, M.G.L. c.75, § 1B.

(8) **Student Tuition Credit** refers to a reduction in Student Charges for an eligible student. See, M.G.L. c.75, § 1B (a).

(9) **University Employee** refers to any faculty member or a classified or professional staff member who is paid through the University payroll system, regardless of source of funds, and who is eligible for state benefits through the Group Insurance Commission and the State Board of Retirement. This definition includes employees on sabbatical leave, professional improvement leave, authorized leave without pay, sick leave, or disability leave, but does not include employees who are no longer employed (whether or not they are collecting workers' compensation or disability insurance benefits).

III. GENERAL PROVISIONS.

In the event that any provision in an applicable collective bargaining agreement or campus policy or practice offers benefits to a specific group of employees that exceed the benefits described in these Standards, such applicable provision, campus policy, or practice shall prevail. These Standards do not amend or alter the "System-wide Tuition Remission Policy for Higher Education Employees" administered by the Department of Higher Education.

- A. The Student Tuition Credits described in these Standards apply to all courses and programs offered at any University of Massachusetts campus, except for the M.D. program at UMass Medical School, the JD or any advanced law degree program at UMass Law School at UMass Dartmouth, and courses and programs identified by a campus as Continuing Education.
- B. Student Charges applied to all University Employees, Spouses, and Dependent Children for tuition are based on the applicable in-state/resident tuition rates and any Student Tuition Credits are calculated based on and deducted from such applicable in-state/resident tuition rates.
- C. University Employees, Spouses and Dependent Children receiving Student

Tuition Credits are responsible for paying all other educational costs, including fees (application, laboratory, etc.), books, and supplies.

- D. Admission into any course or program at the University is governed by campus admission policies. All University Employees, Spouses and Dependent Children must apply for and meet the applicable admissions criteria to enroll and must continue to meet and maintain all applicable program standards and requirements.
- E. Admission to all courses and programs is on a space available basis. Each campus reserves the right to cancel any course or program at any time. □
- F. As all Student Tuition Credits are former tuition waivers (see, M.G.L. c. 75, § 1B (f)), University Employees, Spouses and Dependent Children may not receive Student Tuition Credits based on these Standards and additional Student Tuition Credits that were also former waivers (e.g. the John and Abigail Adams Scholarship).
- G. A University Employee may take one (1) course per semester (no more than four credits) during normal working hours. It is required that the employee arrange to make up an equal amount of work time except in the case where there is a direct and immediate relationship between the course and the employee's work. In such case, a request may be made for "release" rather than "make-up" time. This request must be approved by the employee's supervisor and the campus Human Resources Office. Otherwise, the University Employee must use accrued vacation, compensatory or personal leave or, if necessary, arrange with his or her supervisor to make up any lost work time.

Article 19

Professional Development

Section 19.1

- A. The Employer and the Union recognize the importance of training programs, the development of career ladders, equitable employment opportunity structures, and seek to establish a process for generating such program recommendations and their implementation.

- B. Toward these ends, the Employer and the Union agree to establish a Training and Career Ladders Committee consisting of three (3) persons appointed by the Union and three (3) persons appointed by the Employer. Such committee shall function continuously throughout the life of this Agreement. The committee shall meet within sixty (60) days to draw up rules and regulations. The committee shall determine the content and priority of training and/or retraining programs and the criteria for selection of participants.

- C. Career Ladder Training Fund

The Employer agrees to contribute thirty five (\$35.00) per fiscal year, effective July 1, 2007, for each full-time equivalent employee to establish a Career Ladder Training Fund to be available for all members of the unit. The parties recognize the need to provide members of the bargaining unit with opportunities to advance to more responsible positions within the bargaining unit. Such funds may be utilized for unit members to pay for individual educational and training programs in order to improve working skills and knowledge beyond the normal requirements for the position presently held by such employee. Trust funded employees shall be fully eligible for participation in all training programs.

Should the budgetary situation on the Amherst campus improve to the point where it may be feasible for the campus to augment the above referenced funds, the contract may be reopened by notice of one party to the other for discussion of that issue only.

A program must be given advance approval and certified by the Career Ladder Training Committee. Such committee will develop guidelines to review proposed programs and internal committee procedures during the initial year of this agreement.

These funds may not be used to enhance salary rates or as a salary bonus. In addition to the programs above, a bargaining unit member may request reimbursement from or expenditure of such funds for any educational or training purpose including, but not limited to, travel, supplies, and equipment. The Employer will hold title to any materials and equipment purchased in whole or in part with such funds. All requests must indicate the specific purpose for the expenditure and no payment shall be made without all documentation required by University policies and procedures. Preference in such training will be given

to programs which benefit the University's implementation of new administrative systems. Any funds not expended prior to January 1, 2001 shall be placed into a Career Ladder Training account to be expended on programs, training seminars, and other such services as agreed upon by the labor-management committee for bargaining unit members. A joint labor-management committee consisting of three members nominated by each party to this agreement shall be constituted to explore methods for gaining funds to augment this appropriation.

The parties agree that this provision in section C shall be suspended for the duration of this agreement and acknowledge that the University shall have no obligation to seek funding under this agreement for the purposes of this section.

D. Labor/Management Workplace Education Program

1. The Employer and the Union recognize that the development and enhancement of employee's basic skills is linked to customer service, employee advancement and employee retention. The existing Labor/Management Workforce Education Program (LMWEP) provides positive opportunities for employee development and advancement in such basic skills as writing, reading, math, English, communication, computer skills, diversity and leadership. Investment in employee growth and development as well as lifelong learning is a priority for the Union and the Employer.
2. PSU/MTA UNIT B bargaining members shall have access to the programs and courses of LMWEP, with details of access to specific courses and programs to be determined through the LMWEP Advisory Board.
3. Full release time may be granted for LMWEP classes and some special projects, with the advance approval of the supervisor. Such approval shall not be unreasonably denied.
4. There may be need to provide separate sections of some courses for members of Unit B given that the vast majority of participants in the program are supervised by Unit B members. The Employer agrees to consider providing funding necessary to provide a separate section of courses, which the LMWEP Advisory Board determines would function more effectively without a supervisor and an employee that he/she supervises in the same class.
5. Bargaining unit staff is eligible for leave for professional improvement in cases where it can be clearly demonstrated that such leave will result in specific benefit to the University. Such leave shall be available as a matter of privilege rather than as a right and shall be granted to an eligible staff member only in those cases where the following conditions have been met:

- a. Such leave shall require prior approval of a specific proposal for professional improvement which outlines the benefits expected for both the University and staff member. This approval must be given by the President for staff in the Office of the President and the Chancellors and the Dean of the Medical School for staff on their respective campuses.
- b. The professional non-academic staff member has completed six (6) years of equivalent full-time professional service at the University.
- c. Leave for professional improvement shall not exceed five and one-half (5 ½) months at full salary or eleven months at half salary, but leave may be for shorter periods at greater frequency as may mutually benefit the individual and the University.
- d. The leave for professional improvement will not result in a net salary cost increase to either the University or the department with which the staff member is associated.
- e. The University will consider payment of tuition and registration or similar costs attendant with such leave. Payment requires approval by the same official who approves the leave.
- f. Bargaining unit members who receive approval for professional improvement must return to their duties at the University for at least one (1) full year of service immediately following the expiration of the leave. Failure to comply will obligate the individual to return the salary received during the leave and any other fees paid by the University unless an exception is made by the Board of Trustees.
- g. In addition, an individual may be granted shorter-term professional leave after two (2) years of equivalent full-time service to the University. Such leave may be a varying duration not to exceed two (2) months within any two (2) year period and shall be at full pay. Such leave shall be approved by the President for staff in the Office of the President, and the Chancellors and the Dean of the Medical School for staff on their respective campuses. This approval shall be based on a proposal which clearly demonstrates the benefit to be gained by the University from the staff member's exposure to new ideas, skills, and practices. Exceptions to these requirements are possible only upon special justification made to the officer whose approval is required. Paragraphs d, e, and f above shall also apply to this shorter-term leave, except that six months service upon return instead of the one (1) year service of paragraph f shall be required.

Section 19.2 Educational Leave

Full-time unit members may, upon application and approval, be granted leave of absence with pay for educational purposes to attend conferences, seminars, briefing

sessions or functions of a similar nature that are intended to improve or upgrade the individual's skill or professional ability. The unit member shall not suffer any loss of seniority or benefits as a result of such leave.

- A. An employee shall be allowed to take one (1) job-related course per semester during said employee's regular hours of work. The determination of whether a course is job related shall be made by the Assistant Vice Chancellor of Human Resources or designee.
- B. An employee may be allowed to take one (1) course per semester during said employee's regular hours of work. As a consequence of taking a course during regular work hours, an employee's tour of duty shall be adjusted so that, in addition to the time during which an employee is released to take such course, said employee will be scheduled for a complete tour of duty. In calculating the tour of duty under such circumstances, an employee must take a minimum of fifteen (15) minutes as a regular meal break and must include sufficient time, as determined by the Institutional Personnel Officer, to travel to and from the work area to the class location.

The parties also agree that the application for professional improvement leave shall contain all information necessary for the Employer to make a decision whether to approve the request, including the necessity to take leave at an individual's home campus. Such requests shall not be unreasonably denied. Denial of any request under this policy shall be grievable only to the Vice Chancellor /Chancellor level.

Section 19.2 Fiscal Year 2008 Professional Development Funds

Effective thirty (30) days after the legislature appropriates funds for this contract for fiscal year 2007 only the Campus shall make available to the Training and Career Ladders Committee a sum of money equivalent to 0.5% of the state funded payroll of employees in this bargaining unit. These funds shall be expended not later than June 30, 2008. The parties understand this is a one-time provision of funds and will not be included in subsequent collective bargaining agreements unless agreed to by the parties in those subsequent negotiations.

Article 20

Probationary Employees

Section 20.1

New employees hired into the bargaining unit shall be considered as probationary employees for the first six (6) months of their continuous employment.

Section 20.2

The purpose of the new hire probationary period is to provide for the evaluation of an employee over a period of six (6) months. Should that period be interrupted to a significant degree, the new hire probationary period shall be extended to compensate for that absence.

Section 20.3

At the completion of the first three (3) months and within one (1) month prior to the completion of such probationary period, each probationary employee shall be evaluated by his/her supervisor. Such evaluation shall be recorded in writing by the supervisor. The supervisor shall also indicate his/her recommendation for the retention or termination of such employee. Such employee shall receive a written copy of the supervisor's evaluation and recommendation and shall, upon written request submitted within seven (7) days of receipt, be entitled to meet with the supervisor to discuss the evaluation and recommendation prior to their transmittal to the Chancellor.

Section 20.4

During the new hire probationary period, an employee may be disciplined or terminated without recourse to the grievance and arbitration procedures provided herein, except discipline or discharge for lawful and protected union activity.

Section 20.5

An employee, whose employment is severed with the University, must serve an additional probationary period upon re-employment, whether in the same or a different job title.

Section 20.6

During the probationary period, an employee may not transfer. Nothing contained in this section shall deny an employee the right to a promotion pursuant to Article 10.

Section 20.7 Mandatory Training for New Hires and Promotions

All new hires/promotions within the bargaining unit shall be required to have completed the following courses offered by Workplace Learning and Development or their equivalents within 60 days of hire or promotion:

Respectful Workplace
Conflict Resolution

Anti-Bullying
Supervisory Leadership and Development

Article 21

Disciplinary Action

Section 21.1

An employee, having successfully completed the required probationary period, shall not be discharged, suspended, or demoted for disciplinary reasons without just cause. The parties agree that corrective and disciplinary action, when imposed, shall be implemented in progressive stages from minor to severe. However, in some serious circumstances, where acts of omissions of a bargaining unit member have resulted or will result in serious harm to the institution or members of the campus community, severe sanctions may be imposed in the first instance.

Section 21.2

The Union shall receive a concurrent notice of all disciplinary charges, hearings, and decisions.

Article 22

Grievance and Arbitration Procedure

The parties agree that they shall use the procedure set forth in this Article for the resolution of all disputes involving the application of this Agreement; unless such matters have been specifically excluded from these procedures.

Section 22.1 Definitions

- A. Grievant - shall mean an employee, group of employees, or the Union on behalf of the employee(s), as the case may be, who pursuant to the terms of this Agreement, seeks resolution of a grievance.

- B. Grievance - shall mean an allegation by the grievant(s) or the Union that a specific provision or provisions of this Agreement has/have been breached in its application to him/her/them. A grievance shall mean a written statement stating the event or occurrence on which the grievance is based, including the date when such breach is alleged to have occurred and the specific contractual provisions alleged to have been breached, and shall set forth the remedy requested.

- C. Day - Except as otherwise provided in this Article, "day" shall mean a calendar day. All time lines shall be maxima unless waived by mutual written agreement of the parties.

- D. Immediate Supervisor - the term "Immediate Supervisor" for the purposes of this Article shall mean the immediate work supervisor designated by the Chancellor.

- E. Intermediate Supervisor - The term "Intermediate Supervisor" for the purpose of this Article shall mean the intermediate work supervisor designated by the Chancellor.

Section 22.2

- A. A grievance may be filed at the level at which the action or inaction being grieved occurred.

- B. Failure of a grievant to comply with any of the provisions of this Article shall be deemed to be a waiver of his/her right to seek resolution of the grievance under the terms of this Agreement. In determining whether there has been any such failure to comply with any of the provisions of this Article, time shall be deemed to be of the essence, and any failure of the grievant to comply with any of the time limits prescribed herein shall be deemed to be such failure to comply with the provisions of this Article; provided, however, that the time limits prescribed herein may be extended in any specific instance by mutual written agreement of

the parties. Any time limit which expires on a weekend or a holiday shall be extended automatically to the next business day following that weekend or holiday. If the Employer exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union on behalf of the grievant(s) may assume that the grievance is denied and invoke the next step of the procedure, except, however, that only the Union may request impartial arbitration under step 4.

- C. Any member of the unit may initiate and pursue a grievance through the steps of the grievance procedure without intervention by any agent of the exclusive representative provided however that the Union representative and/or steward, whichever is appropriate, shall be notified of grievances filed by an employee on his/her own behalf and shall be afforded the opportunity to be present at any step of the grievance procedure and that any adjustment made shall not be inconsistent with the terms of this Agreement.
- D. Any employee may request that the Union represent him/her at any step of the grievance procedure. No other representation shall be permitted. The Union shall notify the immediate supervisor, the department head, the Chancellor and the Chancellor, as the case may require, of the name and the business address of such Union representative at the time he/she is so authorized to represent the grievant. Reasonable substitution of Union representation is not to be considered a breach of this notice requirement.
- E. A grievance may be withdrawn at any level.
- F. No reprisals of any kind shall be taken by either party to this Agreement against any unit member(s) initiating or participating in grievance.
- G. Collateral Consequences of a Grievance - The fact that a grievance is alleged by a member of the bargaining unit, regardless of the ultimate disposition thereof, shall not be recorded in the official personnel file of such member; nor shall such fact be used in making any recommendation for the job placement of such member; nor shall such member or any other member(s) who participate in any way in the grievance procedure be subjected to any action by the Chancellor whether disciplinary or otherwise, for having processed such grievance; provided, however, that nothing herein contained shall derogate from the right of the Chancellor to take any action that might be authorized or required to be taken to give effect to the resolution of any grievance.

Section 22.3 Procedure for Filing of a Grievance

- A. Step 1: Informal - Immediate Supervisor and/or Department Head
A grievant shall institute the grievance procedure of this Article by filing with his/her immediate supervisor and/or department head during the term of this Agreement a written notice that a grievance exists. Such notice need not be in the form of a grievance as defined above. Said notice need only state that the

grievant seeks a resolution of a grievance. No such notice may be filed more than forty (40) days from the date of the occurrence of the event or the date on which the unit member had reasonable knowledge of the event or conditions upon which the grievance is based. The immediate supervisor and/or department head shall meet or arrange to meet within five (5) days with the grievant and attempt to resolve the grievance. If within five (5) days after such meeting, the grievant and the immediate supervisor and/or department head have failed to agree upon a resolution of the grievance, the grievant may elect to proceed to the next level.

B. Step 2: Intermediate Supervisor

Department Head and/or Personnel Officer If the grievant elects to proceed to this step, within five (5) days after the expiration of the final time period provided for in step 1, he/she shall file a grievance with the department head, and/or the personnel officer or designee.

The department head, and/or personnel officer or designee shall meet or arrange to meet with the grievant(s) within five (5) days to resolve the grievance (such arranged date not to delay the meeting more than fourteen (14) days) and shall respond in writing within ten (10) days from the date of the meeting.

C. Step 3: Campus Labor Relations Administrator

If the grievant elects to proceed to this step, within seven (7) days of receipt of the step 2 decision, he/she shall send a notice of his/her appeal to the Chancellor. The Chancellor shall meet or arrange to meet within five (5) days with the grievant for review of the grievance (such arranged date not to delay the meeting more than fourteen (14) days). The grievant may request of the Chancellor the presence and participation of those individuals who have knowledge relevant to the grievance. If the Chancellor agrees, such individuals shall be authorized to attend the hearing. Such requests shall not be unreasonably denied. The Chancellor may render a written decision within ten (10) days of the date of the meeting. Although new violations may be identified at this level, no further issues or contract violations may be added subsequent to the close of the hearing at step 3. If within ten (10) days of a meeting at this level the matter is unresolved, the party bringing the grievance may advance the grievance to the next step in the grievance procedure.

D. Step 4: Office of the President

Within five (5) days of receiving the step 3 decision, if the grievant elects to proceed to step 4 s/he shall deliver, in writing to the Director of Human Resources of the President's Office, his designee, or successor in authority in the Office of the President of the University of Massachusetts, a copy of the grievance together with a notice of appeal to the person described hereinabove. Within ten (10) days of receipt of this notice, a meeting shall be held between the grievant and his/ her union representatives, the campus administrator responsible for the department or division in which the grievant is employed, the campus labor relations administrator, and the designated person from the office of the

Director of Human Resources for the Office of the President of the University of Massachusetts. If such meeting does not produce a resolution of the matter it shall be referred to the next step in the process.

E. Step 5: Mediation and Arbitration.

Within forty (40) days of the step 4 meeting, or the last date on which such meeting should have occurred, arbitration of a grievance may be initiated. Once the arbitration request has been made, if the parties agree, a mediation and conciliation process shall be used as a way to resolve the grievance. A grievance mediator shall be requested from the Massachusetts Board of Conciliation & Arbitration or the parties may agree on a neutral of their own choosing. If a resolution of any grievance is achieved through the mediation process, the terms of the resolution shall be reduced to writing and signed by both parties. If after sixty (60) days from the request for grievance mediation the matter is not settled, the matter shall be referred to Arbitration. All statements, documents, communications, and correspondence exchanged or made during or concerning grievance mediation shall not be admissible at Arbitration. In all mediation proceedings, mediator's fees and expenses shall be paid fifty (50%) percent by the Union and fifty (50%) percent by the Employer. The Union maintains the right to proceed to arbitration.

Arbitration of a grievance may be initiated subject to and in accordance with the following provisions:

1. The Union shall have the exclusive right to initiate arbitration of a grievance, the resolution of which heretofore has been sought by a member(s) of the bargaining unit. The decision or award of the arbitrator shall be final and binding upon the Union, the grievant(s), and the Employer in accordance with the applicable provisions of state law.
2. The Union may initiate arbitration of a grievance only if the resolution of the grievance has been sought through all applicable steps of the grievance procedure and only if submission of the grievance to arbitration has been duly authorized by the Union. The Union shall give written notice to the University President and the Chancellor or designee that it intends to submit a grievance to arbitration.
3. The Union and the Employer shall select an arbitrator from the following panel: Gary Altman, Richard Boulanger, Diane Cochran, Richard Higgins, Sharon Henderson Ellis, Marcia Saylor, Roberta Golick, Ann Gosline, Michael Ryan and Gary Wooters. They shall be selected by rotating turns. If the arbitrator next in line is not available, the next available shall be selected.
4. The arbitrator shall convene a hearing giving due regard to the necessity of the parties for time to prepare and the availability of

witnesses, if any. The arbitrator shall give at least ten (10) days' notice to the parties prior to the scheduled hearing date.

The Union and Employer shall have the right to be represented by counsel at any hearing convened by the arbitrator pursuant to the provisions of this Article. All proceedings before the arbitrator, including his/her jurisdiction to inquire into any issue presented by the complaint and his/her authority to render an award, shall be governed solely by the provisions of this Article.

5. Within thirty (30) days after the conclusion of the hearing, the arbitrator shall determine:
 - a. Whether the Union and such employee or group of employees, where an employee or group of employees sought resolution of the grievance through the applicable steps of this Article, has complied with the procedures for initiating and pursuing a grievance as set forth in this Article;
 - b. Whether the complaint alleges an express breach of the contract;
 - c. Whether the arbitrator has jurisdiction to arbitrate; and
 - d. Whether an express provision of this Agreement has been violated in its application to the grievant. The arbitrator shall render a decision in writing, shall state the reasons therefore, and shall promptly provide copies of the decision to the parties to the arbitration proceeding.

Anything herein contained to the contrary notwithstanding, in making a decision the arbitrator shall apply the express provision of this Agreement and shall not alter, amend or extend, or revise any term or condition hereof. The decision of the arbitrator shall be final and binding on all parties to the arbitration proceeding and shall be enforceable in any court of competent jurisdiction.
6. In all arbitration proceedings, the arbitrator's fees and expenses shall be paid fifty percent (50%) by the Union and fifty percent (50%) by the Employer.

A stenographic record may be made of an arbitration hearing, with the party desiring a copy paying the cost of such record. If both parties desire copies of the stenographic record, they shall share the cost equally. If a stenographic record is made of the arbitration hearing, a copy shall be given to the arbitrator.

Section 22.4

The following expedited arbitration process may be used to resolve grievances at the arbitration stage instead of the arbitration procedure described hereinabove:

- A. Consistent with time limits described elsewhere in this Article, the Union may request a hearing before a tripartite panel to consist of one neutral, who should be a trained arbitrator mutually agreeable to the parties, one person designated by the Union, and one (1) person designated by the Employer. The tripartite session may be held following the conclusion of step three. While only the Union may request expedited arbitration, nothing shall prohibit the Employer from suggesting that a particular case might be appropriate for this process.
- B. The Union's request for a tripartite hearing shall be sent to the campus labor relations administrator or designee on a form which also contains a waiver signed by the grievant which states that he/she understands the panel's decision is final and binding and that he/she waives any right to file for arbitration. The Employer shall review the Union's request for a tripartite hearing and shall notify the Union within twenty (20) days whether it agrees to the request.
- C. Termination cases shall be excluded from consideration under this process.
- D. Any materials which the parties may wish to submit for consideration by the tripartite panel must be submitted to each of the panel members no fewer than seven (7) days in advance of the hearing.
- E. At the hearing, the Union and the Employer may each make a presentation not to exceed thirty (30) minutes. Each party may then respond to the other's presentation for no more than ten (10) minutes. There shall be no formal rules of evidence. There shall be no cross examination, but either side may, through the neutral, ask questions they deem relevant and necessary in the decision-making process. There shall be no post-hearing briefs.
- F. The neutral may, prior to, during, or following a presentation, meet with the parties informally to discuss matters relevant to the grievance, including mediation and/or settlement recommendations. The neutral may not compel a settlement. At the hearing, both parties shall have a decision-making authority present in the event a settlement is proposed.
- G. The tripartite panel shall rule on the grievance by majority vote. Deliberations of the panel are limited to thirty (30) minutes per case. All decisions of the tripartite panel are final, binding, non-precedent setting, and may not be the subject of arbitration. The vote of each individual panel member may not be discussed or reported outside of the deliberation. The decision, which shall be a paragraph in length, will be mailed to the grievant, the Union, and the Employer the day following the hearing unless otherwise agreed to by the parties.
- H. Fees charged by the elected neutral shall be paid equally by the Union and the Employer.

- I. The Unit-wide Labor/Management Committee shall regularly review the program and make any minor modifications deemed necessary.

Section 22.5 Application

The parties hereby agree that the provisions of the General Laws, Chapter 30, Section 53, are, in their entirety, hereby rendered of no force and effect in their application to members of the bargaining unit.

Section 22.6 Admission & Grounds of Appeal

- A. Admission - The resolution of a grievance by the immediate supervisor, the department head, the Chancellor, the Chancellor, or any of their designees, as the case may be, shall not be deemed to be an admission by the Employer that the grievance has, for any other purpose or proceeding, standing as a grievance or constitutes an admission of any violation or breach of the terms of this Agreement, or is cognizable or justiciable according to any applicable provisions of the laws of the Commonwealth.

- B. Grounds of Appeal - The Employer and the Union shall have the right to appeal any final decision of the arbitrator pursuant to the provisions of Chapter 150E, Section 8, and Chapter 150C, Section 10, 11 and 12 of the General Laws.

Section 23.4

Whenever any individual(s) inspects the personnel file of a unit member, except those who do so in the regular course of business, the date and name of the individual(s) shall be noted in the file.

Section 23.5

Upon request of the employee, negative material shall be removed from the employee's Personnel File unless the Contract Administrator determines it shall not be removed. In making a decision as to whether material will be removed, the Administrator shall consider the time which has elapsed since the material was placed in the employee's file, the employment record of that employee, and the importance of the material to maintaining necessary information about an employee's University service. The decision of

the Contract Administrator as to whether material will be removed from the file shall be issued in writing with reasons. In the case of material that is more than two years old, the decision of the Contract Administrator shall be subject to review through the grievance arbitration procedure as to whether the decision to not remove material was unreasonable. The parties agree to use an expedited process with the Board of Conciliation and Arbitration for those decisions by the Administrator that are challenged by the Union in arbitration pursuant to this Section. The parties recognize that letters of suspensions are considered negative material under the terms of this Section.

The actual effective date of System-Wide Tuition Remission for these employees shall be

determined by the Chancellor.

- E. If an eligible employee leaves the employment of public higher education under conditions other than those described in C and D above while a spouse or child is enrolled in a course/program, the spouse or child may complete the semester already begun. At the end of the semester his/her eligibility for tuition remission terminates.

II. Applicability

Tuition remission shall be provided to eligible employees, their spouse and dependent children as follows:

- A. For enrollment in any state supported course or program at the undergraduate or graduate level at any Community College, State College, or University excluding the M.D. Program at the University of Massachusetts Medical School, full tuition remission shall apply.
- B. For enrollment in any non-state supported course or program offered through continuing education, including any community service course or program at any Community College, State College, or University, fifty- percent tuition remission shall apply.
- C. Tuition remission shall apply to non-credit as well as credit bearing courses.

III. Limitations

- A. Employees or their spouse or dependent children receiving tuition remission are responsible for the payment of all other educational costs, including fees (application, laboratory, etc.,) books, and supplies.
- B. Employees or their spouse or dependent children must apply for admission and meet all admissions standards for the desired course/program.
- C. Admission to all courses/programs in continuing education is on a space available basis. Further, each local campus administration reserves the right to cancel any continuing education course in which a minimum number of full tuition paying students, as determined by the administration, has not enrolled.
- D. Tuition remission benefits are non-transferable.

IV. Certification Process

To qualify for tuition remission, an employee must take the following steps:

- A. Apply for, and be admitted to the desired course/program.
- B.
